

Google Translate Errors:

- 1) **Actual Text:** The old guy kicked the bucket at the age of 102

Translated Text in Gujarati: વૃદ્ધ વ્યક્તિએ 102 વર્ષની ઉંમરે ડોલને લાત મારી

(Vṛd'dha vyakti'ē 102 varṣanī ummarē ḍōlanē lāta mārī)

Translated Text: The old guy who is 102 years old kicked the bucket.

Error: Literal translation, Google translate couldn't recognize and translate the idiom.

- 2) Translates word by word, some sentences might not give the actual proper meaning when translated.
- 3) When a piece of text is translated from one language to another and the result obtained is given back for translation, it doesn't give the original text back. There is redundancy.
